Under clause 4 (*b*) of the Mangalore Electric License, 1923, granted in G.O. No. 344 W., dated 23rd March 1926, the licensees are required to deposit a security of Rs. 5,000 (five thousand), within six months, i.e., by the 23rd September 1926. Fort St. George, July 8, 1927.

In G O. No. 1456 W., dated 23rd December 1924, the Government ordered that the right to collect tolls on Government roads should be leased out in public auction. The Chief Engineer now reports that this system results in considerable loss to Government in some cases owing to the bidders combining to keep the bids as low as possible. He accordingly suggests that, in the interests of Government revenues, Superintending Engineers may be invested with discretionary power either to lease out the tolls in auction or to run them departmentally according to the circumstances of each case. The Government agree that a delegation of powers is desirable but consider that the discretion should be vested in the Chief Engineer instead of in the Superintending Engineers.

(2) Applications for scholarships tenable in higher elementary standards and in secondary schools shall be submitted to the District Educational Officer of the district where the institution in which the scholarship is tenable is situated, by the head or manager of the institution in which the pupil studied in 1926–27 through the head or manager of the institution in which he intends to study and through the inspecting officer who inspects that institution.

Applications for scholarships tenable in college classes shall be submitted to the Director by the head or manager of the institution from which the student went up for the examination through the head or manager of the institution in which he or she intends to study. In the case of applications for scholarships in the first year University class on behalf of students who have obtained secondary school-leaving certificates, the heads or managers of the institutions which such students have joined should not recommend more than three students who in their opinion are most deserving of scholarship, and they should submit the secondary school-leaving certificates of such students along with their applications to the Director who will scrutinize the certificates with a view to the award of scholarship.

All applications should be dated. Separate forms should be used for each grade of scholarship. If one form is not large enough, the list should be continued on another form.

(3) All applications for scholarships should reach the Director or the District Educational Officer, as the case may be, before the 10th August 1927. Applications submitted after the prescribed date will not be considered.

(4) Scholarships tenable in higher elementary standards and in secondary schools will be sanctioned by the District Educational Officers at their discretion and subject to the conditions, if any, which have been specified in this notification; and those tenable in college classes by the Director. Scholarships remaining unappropriated in one district may be utilized for additional scholarships in other districts. The transfer of such scholarships from one district to another will be made by the Director, and the District Educational Officers will therefore furnish him, before the end of August next, with a statement showing the number of scholarships placed at their disposal, the number sanctioned by them under each head for the different classes of the community, such as Oriyas, Mohammedans, Mappillas, Adi-Dravidas, Adi-Andhras, other backward classes, Indian Christians, Brahmans, Non-Brahmans, etc., and the number available for transfer. Any scholarship vacated in the course of the period for which it is tenable may be awarded for the remaining period to an eligible applicant in the same year of study as the holder of the scholarship vacated. *No new scholarship can be awarded to a student in the middle of a course.*

(5) The names of the selected candidates will be notified in the case of scholarships sanctioned by the District Educational Officers in the District Gazette and in the case of scholarships sanctioned by the Director in Part I–B of the *Fort St. George Gazette*.

Casual leave without diminution or loss of scholarship may be granted for good and sufficient reasons for a period not exceeding fifteen days in the year, provided such leave does not immediately precede or succeed gazetted holidays. Under the above conditions, leave for scholarship-holders in schools may be sanctioned by the head of the institution who shall then report it to the District Educational Officer concerned. If a scholarship-holder absents himself without good reasons on the re-opening day after the vacation for the school or college, the scholarship for the vacation is liable to be withheld under the orders of the sanctioning authority.

(7) No persons receiving a scholarship under this notification shall be permitted to hold any other scholarship provided wholly or partly by Government without the special sanction of the Director. Such sanction will be accorded only for very distinguished merit.

(8) In cases where the order of merit cannot be ascertained or where the number of eligible candidates is in excess of the number of available scholarships, it is open to heads of institutions to hold a competitive examination in one or more subjects with a view to select the most deserving candidate.

(9) All scholarships tenable under the above rules are liable to forfeiture for idleness, misconduct, irregularity in attendance, or failure to make due progress or to secure annual promotion.

(10) A scholarship held in any class shall run from the beginning of the month in which the holder joins the class and shall not continue to be drawn after he ceases to attend it. Scholarship amounts for the vacation months shall be drawn immediately after the *final* (annual, as out, college or public) examination and disbursed to the scholarship holders.

(11) The scholarships are payable monthly and in advance.

ANDHRA UNIVERSITY.

NOTIFICATION

INSTRUCTIONS TO CANDIDATES APPEARING FOR THE EXAMINATIONS TO BE HELD IN 1927.

Candidates for University Examinations are required to observe the following instructions very carefully:—

1. Silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for distributing the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall each day of the examination their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer books, but their register numbers should be written very distinctly on the outer cover of each answer book. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to a paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. *Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so, their answers will not be valued, and their conduct will be reported to the Syndicate for disciplinary action.*

7. Candidates are not allowed the use of books of any kind (except as provided in rule 8). They are also prohibited from introducing into the examination room any book or portion of a book, slate, manuscript, or paper of any description and from making use of any of those whether introduced into the room by themselves or by any one else; from communicating with or copying from each other, and from communicating with any person outside the examination room. Any candidate detected in the

violation of these rules will be summarily sent out of the room forthwith, and his conduct will be reported to the Registrar. Such a candidate stands the risk of having all his answer papers for the examination for which he has appeared, rejected by the Syndicate. The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in the Physical Sciences will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates in Groups (i) and (ii) of the Intermediate, Branches I and II of B.A. and first M.B. & S.S. examination.

9. Candidates for the B.A. Degree Examination under Groups (ii-A) and (ii-B) are required to submit their laboratory note-books to the Examiners concerned on the first day of the practical examination, and to get them back at the close of the examination. The submission of laboratory note-books is optional in the case of those students who appeared for the examinations prior to 1928.

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink-bottles. They must, however, use only black ink while answering their question papers.

11. Particular attention is requested to the instructions, regarding rough working and loose sheets of paper printed on the answer books. All rough working must be shown on the left-hand page of the answer books themselves. No separate books for rough working will be supplied to candidates. Paper must not be detached from the answer books of candidates. If the ordinary answer books are found insufficient, additional books will be allowed and these should be securely fastened to the answer books.

12. When candidates have finished writing their answers, and wish to give up their answer books, or at the end of the period prescribed for each particular part of the examination, each should stand up in his place and remain standing until one of the superintendents has gone up to him and has received his answer book from him.

13. Candidates sitting for the examinations at the different centres should apply to the Chief Superintendent of the respective centre for their hall tickets.

14. *No College student will be allowed to select a centre for his examination other than that in which the College he studies, is situated, except for satisfactory reasons and on the recommendation of the Principal of his College.*

15. *Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendents of such centres as to their identity.*

THE GROUNDNUT CROP OF 1927 (SUMMER AND EARLY CROP)—CONDITION REPORT.

The condition of the summer crop is fair. Harvest has just begun in parts of Chittoor; the yield is slightly below normal owing to insufficient rainfall in the growing period. Normal yields are expected elsewhere.

The season was normal for the sowing of early crops in Salem and Coimbatore and the area is above normal. The crop is reported to be healthy and vigorous, but an attack of hairy caterpillars is reported from parts of the Pollachi taluk of Coimbatore.

REVENUE NOTIFICATIONS.

NOTIFICATIONS.

No. 8.—In virtue of the powers delegated under clause XI of Government Notification No. 985, dated 13th July 1896, published on pages 1203 and 1204 of the *Fort St. George Gazette*, dated 29th September 1896, Part I, as amended by Government Notification No. 101, dated 18th March 1924, and in supersession of Commissioner's Notification No. 5, dated 1st July 1926, the Commissioner of Excise hereby prescribes the following rules for the issue, etc., of licenses under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1927 :—

(1) The villages in the Agency tracts specified in Schedule I annexed

(2) The rest of the Presidency with the exception of the Nilgiri district and the Wynad taluk, Anjenge, Tangasseri and the Attappadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree tapping licenses shall be issued on the applications—

(a) of licensed toddy shop-keepers in areas in which the toddy shops are sold by auction or licensed separately ;

(b) of persons having the exclusive privilege of manufacture and supply of coconut toddy or sraak ;

(c) of tappers on their own application in the South Kanara district, provided that the application for license is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken ;

(d) of tree-owners generally, and of sweet-toddy tappers in the villages of the Agency tracts specified in Schedule I, in the East Godavari district, in the portion of the West Godavari district corresponding to the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the old Kistna district and in the Repalle and Bapatla taluks of the Guntur district, for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers for the drawing of toddy required for domestic consumption, but not for sale ;

(e) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory ;

(f) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Sait and Abkari Inspector of the State, and

(g) of any member of a hill tribe whether a tree-owner or not, residing in any of the villages of the Viragapatam district specified in Schedule II, for not more than five trees for each household for domestic consumption, but not for sale.

In cases (b), (d) and (g), the licences may be issued in the name of the applicant himself or of his nominee, and in cases (a), (c), (f) and (g) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury or a Taluk treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. In the case of persons mentioned in rule 2 (c) and (e) the tree-tax must be paid into a Government treasury of the taluk in which the shop is situated or to an authorized village munsif in the same taluk, and the renters concerned should affix a declaration in the applications to the effect that they have obtained a licence permanent or temporary for a shop specifying also the name and number of the shop for which trees are to be marked. The shop licences should be produced before village munsifs in cases where the application and fees are presented to these officers. Pudukkottai renters, when applying for trees in British territory, must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Excise Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of the Excise Department and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped ; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer ; if payment has been made to a village head, the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned, along with the application in Form T.T. 3, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. The tree-tax should be calculated at the higher rate of the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner or person in possession of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force, if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licences for trees so reserved.

6. Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the licensed district. Similarly, those in the Banganapalle State will be allowed to tap trees in the adjoining British territory. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax in that State at the higher of the rates prevailing on both sides of the frontier

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) Unless there are special reasons for refusing to mark the trees, the Inspector on receipt of an application will at once take steps for the marking of the trees by an officer of rank not lower than a Sub Inspector and for the issue of the licence. The Inspector may also at his discretion refuse to comply with an application either wholly or in part, if he considers that the trees applied for are in excess of the legitimate demand of the shop. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the East Godavari district, in the Narsapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district and in the villages of the Agency tracts specified in Schedule I, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dadapul (*Areca Wightii*) trees in South Kanara, tree tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for coconut and sago trees they shall be half yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following, except in the case of the trees which have been illicitly tapped, on which the full tree tax may be levied.

12 The following shall be the fees payable on account of each tree for the tapping of which licence is applied for :—
